

VISITOR GUIDELINES

The safety and security of the Jones-Carter Gallery's visitors, staff, and exhibits is of the highest importance. When you visit the gallery, you will discover that we have security measures in place to ensure your safety and the safety of the art contained within. You will be greeted upon entry by one of our security personnel who will check large items at our reception desk and ensure that prohibited items are not brought into the gallery. Because of security measures, lines for entry may be long during peak times to view exhibits. We ask for your patience, cooperation, and assistance in keeping the gallery and exhibits safe. Thank you for your cooperation.
